CONNECTING BUYERS AND SELLERS

WE MAKE SELLING AND CONSIGNING EASY

Join the thousands of folks who have sold their machinery through Machinery Auctioneers. We know you're busy, and that you need the selling process to be easy. We offer multiple hassle-free ways of selling through Machinery Auctioneers. You're busy enough as it is and that's why Machinery Auctioneers will pick it up and clean it up.

WE CONSIGN

We'll put your machinery in front of an eager crowd of serious buyers. Machinery Auctioneers sells millions of dollars worth of consigned items every year to buyers at our auctions, onsite and online. We make it easy to consign, from one piece to an entire fleet. Most importantly, we aren't going to lump your consignment into a large group of similar items. Your machinery will get the visibility and priority you deserve at our auctions.

WE GUARANTEE

At Machinery Auctioneers, we put the pen to the paper, and give you a real number. Most auction companies will not make you a written guarantee. We believe a sale can only be to your benefit if there is a real working knowledge of what an item is worth. So we'll give you a written guarantee before the auction so you'll know the minimum amount of your consignment. We firmly believe that this is simply the right way to do business.

WE BUY ON SITE

If you are looking to make some extra money or to free up some capital, you can also look to us to buy your machinery outright from you on site. once we agree on pricing, we can pay you that day!
